

Author Registering and Submitting an Initial paper to a Conference project

- Authors can login/Register to a conference project on Meteor system. Registration will give the author access to the conference project
- Authors can read the guidelines and other information about the project on this page

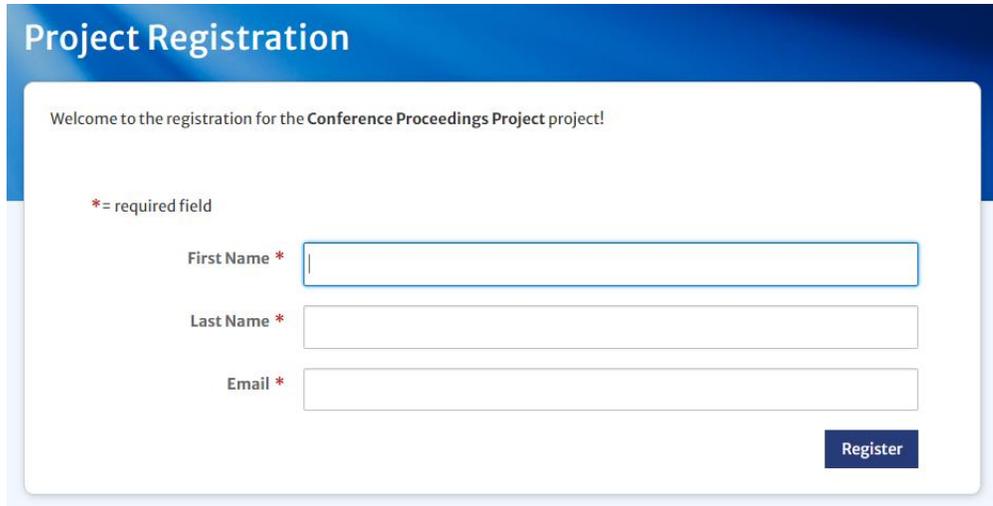

The screenshot shows a web page titled "Conference Proceedings Project". On the left, there is a "Contents" sidebar with "Welcome" and "Author Guidelines" listed. The main content area has a "Welcome" section with a paragraph of text and a "Click here" link highlighted with a red box. Below this, there are two "PC Chair" sections, each with an email address and the location "Delhi India".

- Author can register to the conference or simply login if the registration has already been done previously

The screenshot shows a "Project Registration" page. At the top, it says "Welcome to the registration for the Conference Proceedings Project project!". Below this, there is a prompt: "Please log in or register a new account to continue with your submission". At the bottom of the prompt, there are two buttons: "Login" and "Register".
